Father's Day Honor Roll!

It is time again to sponsor our Father's Day Honor Roll! The United Methodist Men of Elizabeth Chapel will be sponsoring a Memorial and Honor Roll for fathers. All Fathers who are honored or memorialized will have their names printed in a Father's Day booklet. These booklets will be distributed on Father's Day, June 17th.

Checks should be made payable to Elizabeth Chapel United Methodist Men. You can mail these to Sindy Ramsey; 3311 Highway 126; Blountville, TN 37617 or place them in the offering plate. Our deadline is Sunday, June 10th. Should you have any questions or need further information, please do not hesitate to contact the Church Office or Sindy Ramsey (323-8700).

We hope you will join with us in honoring or memorializing those special people who have meant so much to each of us.

Thank you for your support.

CALLING ONE AND ALL!

We need YOU!!!!

The Elizabeth Chapel United Methodist Church Choir is a friendly and welcoming place for everyone to share the glory of the Lord through music. EVERY voice is important, and we need more. During the summer months we will be singing some well-known songs that you are likely to know already or learn easily. Alternatively, we will resurrect pieces that our choir knows well, so that their confident singing can carry along our new members. Our practice time is committed and organized to make the most of our time together. We strive to be effective and enrich the worship experience. But we need more members. Will you pray to see if the Lord is leading you to become a part of an excellent group of people that enjoys singing praises and glory to our Lord? We would love to see you at Choir Practice Wednesday at 7:00 p.m.

To God be the Glory,
Linda Brittenham

Chess Champions for Sure

Once again SteppenStone Academy stood tall in the Chess World of East Tennessee.

Playing in the Tennessee Scholastic Chess Tournament held at Tri-Cities Christian School in Blountville, the guys produced another overall First Place Team Trophy. [That is the big one as seen in the center on the photo.]

In the Middle School Competition, they took First and Second places along with two honorable mentions. The High School players did even better placing First, Second, Third and Fifth while adding three honorable mentions.

Their skills at the game itself can be directly attributed to Mr. Bill Brown who serves as their Chess Coach and Math Teacher. They were the talk of the tournament.
